9 Light Candelabra Chandelier

Earthy tones and organic lines make Golden Lighting's Homestead collection a comforting addition to the transitional style home. Whether the decor is eclectic, casual, or even traditional, Homestead pieces blend well in cozy environments. The finish gives depth and weight to the delicately curved arms, and the exposed candelabra bulbs partner perfectly to create a rich effect. This 2-tier, 9 light candelabra chandelier with candlesticks creates a dramatic focal point graciously sized for taller living and dining areas.
