 5 Light Linear Pendant

Golden Lighting's Davenport collection is an updated, traditional style that features a series of large, traditional, classic box lanterns. The open-cage design is accented by a simple, decorative, rope braid detail and the exposed steel candles and candelabra bulbs create a stunning effect. The hand-painted Etruscan Bronze finish is multi-layer and has faint gold highlights. This 5 light linear pendant illuminates a kitchen bar, dining table, or similar area without interfering with activity at the surface.
